WHAT MEN DON'T LIKE ABOUT WOMEN

COMPLETELY ILLUSTRATED

ONLY A BRAVE MAN WOULD DARE TO EXPOSE WOMEN LIKE THIS!

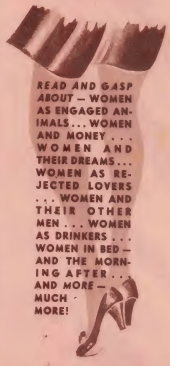

Never has the veil of secrecy been so thoroughly stripped from women! Here is plain English – plain courage. For, men, in his new book WHAT MEN DON'T LIKE ABOUT WOMEN Thomas D. Horton really goes after that claim that the female is innately finer than the coarse and lusty male – and he dares to say and to prove, with experience after experience, that it *just ain't so!* *NOTHING OMITTED! NOTHING SPARED!* Yes, this is blunt talk your wife or sweetheart will surely hate to see you read . . . but, brother, this is talk you'll love! When you've gasped – and often laughed – your way through this amusing, sometimes shocking book, you will feel that now, AT LAST, you really know women!

ONLY A BRAVE WOMAN WOULD NOT BE SHOCKED!

There's dynamite in every page—in every paragraph! A woman would cry "How does he dare!" For nothing is left to the imagination. This book tells what men really think but never say about women – in every situation – at the office, at night clubs, as sweethearts, as flirts, as other men's wives, in bed. Their greediness, shamelessness, jealousy, unfaithfulness are handled *without* gloves.

BUT YOU AND EVERY MAN WILL LOVE IT!

You will hail WHAT MEN DON'T LIKE ABOUT WOMEN as a thoroughly masculine pleasure. You will delight in its punchy drawings, the many and often unusual types of women you will meet. You will say, "Here is an experience no man should miss!" Enjoy this book as soon as you can. Get it while it's printed just as the author wrote it – NOW!

READ AND GASP ABOUT – WOMEN AS ENGAGED ANIMALS . . . WOMEN AND MONEY . . . WOMEN AND THEIR DREAMS . . . WOMEN AS REJECTED LOVERS . . . WOMEN AND THEIR OTHER MEN . . . WOMEN AS DRINKERS . . . WOMEN IN BED – AND THE MORNING AFTER . . . AND *MORE* – MUCH MORE!

"BANNED IN BOSTON"

"It is unquestionable that . . . the remarks made by Thomas D. Horton are of the shock variety, but then the truth has always been so. And yet, at this writing, rumor reaches me that this magnificent work will be banned in Boston!" *Bethlehem Bulletin*

DON'T READ IT TO A WOMAN!

"There is not the slightest likelihood of any male ever reviewing this book before a woman's club. The insurance premium would be prohibitive. Turn to any chapter, any paragraph and read it aloud in the presence of a female, and you'll have fury with its claws out." *Columbus News*

COY COQUETTE

Flirtation does not end with the roguish glance of June Frew's sky blue eyes. It lingers fleeting on her luscious ruby lips that whisper unspoken volumes; travels down the length of her alabaster neck and extends over her subtly curved 115 pound frame, proving that June is a coquette, all five feet seven inches of her. So completely convinced are we of the all-embracing charms of June, that we're out to prove that there is such a thing as love at second sight, for if you thumb thru the pages away over to page 22 we'll give you a stirring close-up of June's above-the-waist charms.

TRUDIE stepped on the scales the other day and could hardly believe her eyes. Yep, the gal was five pounds over her usual weight. "Oh golly," our honey cried, "If I get any fatter, I'll be like a Lucky Strike—so round, so firm, so fully packed, and first on the Hip Parade!"

Anyway, our darling decided dieting was the easiest method of losing a little weight. Yeah, she was willing to diet her post if it would make her any slimmer! Say, listen, hon, are you sure those scales are right? We'll admit you have a weigh with you, but you don't look plump. In fact, we say you're hip-shape!

the weigh of all flesh

1. What'cha doin' with the pencil, toots? We don't get the point!

2. Gee, you look a-drawable!

3. Don't throw that bread away, hon; give your loaf to us!
4. Gosh, our chick's eating carrots. She must be crazy with the eat!
The Answer to the Birth Of a Nation

5. Lettuce face it: this is food for thought!

7. Taking a pill, baby? You're really a-pilling!

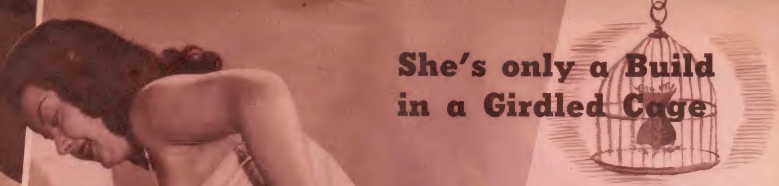

6. Gee, toots is up to date —she's got a-tomic ache!

THE WEIGH OF ALL FLESH (CON'T)

Trudie started eating all the slimming foods the doctor ordered. We hate dimension it, but the poor gal didn't get any thinner. She nibbled on carrots, ate lots of lettuce, drank quarts of buttermilk — in fact, she was living on the fat of the land, and she looked it! There was only one way to get those svelte lines our honey wanted. She dug into her grandmother's trunk of clothes and got out an old-fashioned corset. Say, fellers, that really did the trick! It squeezed our baby's waistline down to a slim 17-inches. Now Trudie can eat whatever she wants, and our sweetie knows it won't go to waist!

She's only a Build in a Girdled Cage

9. Ah-ha, sweetie, now you're in hour glass!

8. Is that thing what we think? Of corset is!

double

Is your love life on the wane? Do you long, long fervently, for that extra special bit of glamour to enchant your eyes and enliven your heart? You need look no further, fella; the double dose of devastating damsels who recline here in gay and inviting abandon will make you forget the old girl of your dreams—and twice over!

Anita Palmer, as luscious a lovely as ever inhabited your dreams.

trouble

Cindy Heller, shapely, sloe-eyed siren, is a heart-throbber.

December

WE know what you're wondering, boys. Who is that terrifically buxom babe posed so inticingly at the left? Well, her name is Jeanne Tyler, and she's the star of THE WEIGH OF ALL FLESH, appearing on pages 6, 7, 8, and 9 of this issue. Jeanne is the perfect model for our story of a gal who wanted to be slimmer, though you fellows who appreciate the big, voluptuous gals will want her just the way she is! This honey is 5 feet 10 inches in height, and every inch of that is smoothly curved contours and exciting fullnesses. Her bust and hips are a lushly curved 36 inches, while her waist is a slim, indented 26. Could you ask for anything more than that in the way of physical perfection?

WITH the shackles that bind dangling from her soft wrist, lovely Virginia Busch enacts the role of a slave girl, freed at last from the bondage of the harem. Virginia is currently acting the role of the boss in our little drama of office life, MONKEY BUSINESS, on pages 16, 17, 18, and 19. Whatever the role, our honey is sure to fit it to perfection, for her expressive features and incredibly proportioned body contours are the necessary possessions of any successful actress. Virginia's super-proportions are 35"-24"-35", the first and last of those being her softly curved bust and hip measurements, while her slim, slim waist tapes in at an entrancing 24-inch measure. Our baby is an actress and model of great popularity, and taking another good look at her obvious qualifications, we don't wonder why! We haven't mentioned her shining, golden hair, but we're sure haven't mentioned her tresses, but we're sure you noticed!

Winks

THE fiery-tempered secretary in MONKEY BUSINESS on pages 16, 17, 18, and 19 of this issue, is none other than tempestuous Doris Drake who poses on the right in one of her quieter moods. Doris is a gal with lots of spirit, vivacity, and all-round vitality. From her light brown tresses to the tips of her skyscraper shoes, she's a bundle of delight, adorable enough to charm any heart with her full-figured beauty, roguish smile, and not-to-be-resisted personality. Doris' vital statistics are 34"-24"-34", which means that her 5 feet 5 inches of height is smoothly proportioned, with the kind of curved lines and soft roundnesses that make pictures something extra-special in heart-tickling interest!

ISABEL SANDS is the name of the star of UP AND ATOM! on pages 24, 25, 26, and 27. This blonde beauty, posed so provocatively on the left, is a Manhattan model of enormous popularity. She's a blonde with plenty of above-the-waist interest, as another long look at her fire cracker set will prove. Our darling's soft bust and hips measure 34 and 35 inches respectively, and between them is a slim, gently-curved 25" waist, so that the over-all impression is Venus-like in its enchantment. Here posed in delightful net hose, skimpy bra and panties, and those shiny patent-leather skyscraper shoes, Isabel gives us a glimpse of beauty arrested in a moment of intimate relaxation, one hand raised to hold back the blonde tresses that caress her soft neck and shoulders. She's a natural for any set having to do with fire crackers and high explosives. She's the perfect anatomical babe!

Toots is a Lap-Happy Secretary

WE know a red-haired secretary named Ginger who works for a luscious blonde named Babs. To tell you the truth, the boss and the secretary don't get along so well 'cause Babs thinks her typewriting-cutie is trying to cut-in on Babs' boy friends.

The other day the blonde gave Ginger a couple of letters to type that would have kept her after work. When Ginger refused to take dictation, a fight started that finally proved who was boss. Stick around, gents. These pictures will give you feud for thought!

1. Look, sugar is a typist, and she's just our type!

2. What's going on here? We'll give you three gazes, boys!

5. Fer sir, things are really coming off here!

6. This is only the first round, gang; the wrestle's yet to come!

7. Gosh, if you hit her with that, she'll be singing the bruise!

8. Even though she's got you floored, toots, we're still floor

Q. This kid used to be a palm-a-dear! Palms away, hon, palms away!

MONKEY BUSINESS (CON'T)

Babs and Ginger were alone in the office when the fight started. It's no favours asked and no quarter given with these gals, and what with pinching, tickling, pulling hair, squeezing, and just plain scratch - as - scratch - can wrestling, our brawling babes put on a fight that had them gasping for breath — in fact, they were cooking with gasps!

This terrific fight ended wnen Ginger, the red-head, took her pretty boss over her lap for a stinging spanking. Poor Babs pleaded for release, but no chance — Ginger was boss now and wanted to make the most of it. The moral of our little story? If you're a female boss, treat your secretary right. You can never tell when she'll decide to dictate to you!

Watch Closely, Gents—Here's a Hittin' Miss!

Three Aces

Here's a hand to end all hand and one which will make you th winner when all the chips a down and all the dough is on th line. The two aces are unque tionably a high pair—but cou led with the curvaceous queen the middle you have an unbea able combination. The delicio deciding factor, right smack i the magnificent middle, is Aud rey Platt, a girl who stacks up a voluptuous Venus in any deck

Gilded Glamour

If you like your beer with a head—if you like your steak with gravy—if you like your lily with gilding and your girl with glamour — park right here for Baby Lake, showiest and most stunning of showgirls, is an exponent of going nature just one better. That is why Baby's torso is super-sensational.

Tarrytown, New York

Dear Sir-

I'm an ardent admirer of your marvelous magazine, and I'm sure I can appeal to your good nature and get to see the type of picture that appeals most to me. Whether thru neglect or intention, you seem to omit from your pages the very essence of shoe glamour. I refer to the high, laced patent leather boot. True, you have, in the past, run many girls whose limbs were interestingly clad in boots, but unfortunately they fell short of the knee-high variety.

I wish you would show a constant reader how they look on one of your models.

Thanks in advance.
Gratefully,
F. C. R.

MALE ORDERS

A Pictorial Answer Department for our Readers' Requests

San Francisco, Calif.

Gentlemen:

Your worthy periodical can serve a real purpose if properly conducted. It can be a magazine which campaigns for the return of the feminine type of figure.

I am quite sure that a publication such as Wink could do much towards pointing up the error in the present conception of what constitutes a womanly form.

I know that among your many models you must have one who is full-bosomed and round-hipped. Just picture her in a tight corset and see whether your readers don't agree with my preference for buxom ladies.

Old Timer

Milburn, Pa.

Gentlemen:-

As an old (and I do mean old) habitue of the saloons of those fabulous Gold Rush days--I have a nostalgic yearning for the days, long gone by, when well-formed vixens poured their curves into long, black, form-clinging tights, and kicked their legs up to the hilarious enjoyment of the boys in the backroom.

Yep, those were the days. Beer was cheap, women were fat, and a leg was something that was covered from the toe away up by a long tight.

So, how about giving me a flashback in the form of a tight-clad sweetie? Ok? Well, thanks, editor, thanks a lot.

George E.

Jasper, Alabama

Dear Editor--

Your letter box idea is swell and I wish you much success with it. I'm sure you'll find a great deal of interest in other and comment on their diverse pre-this department and its pictures.

Although I am in full accord with that as concerns usual pictures, I do believe that in picturing your harem beauties and slave girls, you would do well to show them clothed in more representative garments.

I'm sure that a good theatrical house would cooperate with you in making it possible to picture bound beauties in typical costumes. I would be delighted to see my request pictorially fulfilled.

Constant Reader

Here's June Frew making a repeat performance to prove that she's twice as stunning as any girl has a right to be.

Sincerity and seductiveness vie for first place in the cute countenance of Lola Random.

PORTRAIT

Framed in gilded glamour are the fantastic faces that crown four of the country's most fabulous frames. Each cookie, thus preserved for posterity, boasts, in addition to the common beauty factor of all, a distinctive quality which makes her doubly appealing. In this, our current gallery of gorgeous girls, we feature three bombastic blondes and one titian thriller. The brunettes, at least for

A ton of explosives—and all devastating—is packed in the five feet two inch frame of glorious Marjorie McClean.

Here is a pretty pose to prove that Joan Carson is more picture-worthy than the frame.

PRETTIES

these two pages, will have to take a backseat while we rave about the glistening of golden hair, sing of the splendor of alabastor skin, and rhapsodize over the powers which lie deep in the wells of blue and green orbs. So, till we bring you the next installment devoted to the exotic, sultry sirens, won't you please let these four eye-filling sweeties warm your heart and speed your pulse?

UP and ATOM

Here's a T-N-Talizing Sweetheart!

GOSH, fellers, put on your helmets, stick in your ear plugs, and come meet Ann, an-atomical chick with plenty of T-N-Tease! Our babe just received a box of fire crackers and rockets. You know, everyone has a rocket these days — V-2! Ann wanted to find out what makes bombs tick, so our darling tied three giant crackers together to make a huge explosion. Yeah, all you sailors and soldiers can pack up to go home; this'll be the biggest discharge yet! Our sweetie struck a match and lit the fuse of the crackers. Hey, Elmer, what are you ducking for? It's a boom with a view!

1. Prying open your crate of rockets, dear? "Yeah, it's a crate life!"

2. Watch out, hon. If that thing explodes, it'll make an awful rocket!

3. Lighting a match, sweet? Mind if we turn on the gaze?

4. Look, she's lighting the fuse. As if fuse didn't know!

Weather Today: Fire and Warmer!

UP AND ATOM (CONT'D)

Say, don't go away, gang; when those fire crackers go off, we'll all be up in the air over Ann! Well, the match went out before the fuse caught on fire, so our baby tried a torch. Listen, dear, if you light the fire crackers with a torch, it'll be torch and go for you! Ann thought she lit the fuse, but nothing happened.

"Gee, what a fizzle," our sweetie said. "I'll just sit down and take it easy. Nothing's going to happen!" And the next thing Ann knew, she was flying through the air with the greatest of t-ease! Well, boys, we don't mind seeing a cutie like Ann going up in the air. She's a sight for soar eyes!

10. There goes Ann flying! Hope this picture doesn't make her soar!

7. Yeah man, sugar's going to have a noise time!
8. There's going to be a boom with a view here soon!
9. Hubby happen, dear? Wait a minute, business will be booming!

Troy Brown, perched on the summit, is a worthy daughter of the "Helen" who launched a thousand ships.

Stairway to Beauty

Dean Carter—a buxom, booted beauty is low on the ladder but high in our estimation.

Winnie Martin is sitting high, but bending low to throw that intimate glance of approval your way.

Ascend or descend at your own risk. We do not guarantee results, nor can we offer to insure the damage to your heart which may ensue along our star-studded stairway to a honey-filled heaven. Should you falter on the way and choose to share a step for awhile, you may be sure that your companion leaves nothing to be desired. Yes, you may well find that yours is a hazardous journey which will play havoc with your blood pressure and cause your pulse to race — even though you may be stopped in your tracks by what you see.

Betty Turrell lies languorously at the base giving us the full advantage of her terrific torso.

In an old-fashioned corset is the symmetrical shape of Juliet Ruhling, an honest to goodness hour-glass honey.

Thrilling Tresses

Alluring auburn locks crown the snow-white loveliness of ravishing Rusty Lane. In golden rivulets this lustrous splendor cascades and finally comes to rest along the firm roundness of Rusty's hips. In this unusual pose, the fabulous frame of this noted showgirl is shown in startling splendor as her bright gold tresses for once fail to caress her frame and drop tenderly and thrillingly to rest in an excitingly picturesque pattern.

CURVACEOUS *Captive*

Firmly tied ropes bite mercilessly into the white flesh of Anita Vassar's slim ankles, tenaciously bind her soft white wrists. On her knees, thus bound and vanquished, she is resigned to her unhappy fate. And though this convincing dramatization is sheer play acting, Anita brings to it all the emotional depth that makes her so outstanding in show business and on the air.

BOLD *Beauty*

Nothing can frighten nor weaken this dominant damsel who grips fast a trusty whip with which she can easily vanquish her foe. So all-powerful is this amazing amazon that all cringe in fear as she makes her triumphant tour thru the torrid jungle. The Juno in this case is full-bosomed, round-hipped Sylvia O'Reagan, a noted New York model and showgirl.

Treasure Hunt

Baby's Got the Gift of Grab

OUR gal Jane got invited to a Treasure Hunt the other day. Y'know a Treasure Hunt is one of those parties where everyone is given a list of silly things to go out and beg, borrow, or steal, and the person who gets the most things wins a prize.

How would you like to come along with our baby while she tries to dig up all the crazy things on her list? Okay, sweet, we'll be glad to tag along. In fact, we'll bring a valise, and confidentially, we guarantee that everything will be in the bag!

3. Look, a fireman's hat! Hey, sweet, are you going blazes?
4. Wonder what's in the box—box beer?

5. That's a lovely boot, bootiful!

6. "I don't know the policeman who gave me his club, but it's marked Billy!"

TREASURE HUNT (CONT'D)

Our sweetie had a lot of stuff to collect: a fireman's hat, a policeman's billy, a corset, an old-fashioned parasol. Our darling went all over town begging guys to help her out. "Gift till it hurts!" Jane told them, and most of the boys took one look at our chick and were so ga-ga, they gave her whatever she asked.

The cop gave her his wooden billy gladly. That's 'cause Jane said, "Police, give me your club!" so sweetly! The fireman's heart caught on fire, and he handed over his hat with a smile. The corset, the parasol, and the high boots, our little scavenger picked up in a second-hand store. That's right, the owner wasn't looking, so she had no trouble picking them up!

Who won the Treasure Hunt? Don't ask silly questions! Of course our honey won grand prize—and she's a grand prize herself! In fact, she's a sir-prize!

7. Gee, cutie, now we can go laces and do strings!

9. Hey, that's some costume, toots! "Yeah, it's some-zing for the boys!"

8. Squeezy does it, sugar, squeezy does it!

In a silken boudoir a lusty brunette chokes the wind out of her roommate during a battle over a piece of apparel.

Here's where a shapely stem gets broken in half because these babies aren't playing.

Spanking, the old feminine standby, is still used at the conclusion of the brawl.

BATTLING for beauty

THERE is no limit to what the modern girls will do in their pursuit of beauty. No road is too long, no exercise too strenuous, no method too hazardous if at the end lies the gift of glamour. The mud packs they use, the girdles they wear, and the calisthenics they do are the prescribed sesames to loveliness.

Now, a new formula has acquired nationwide success as a healthful and delightful approach to this desired achievement. The wanderers in search of eternal youth and beauty have found a new and perfect magic route. Gorgeous girls make the wrestling mat their mecca. It is here they solve their little emotional difficulties, develop their muscles, and gain loveliness merely by mauling their opponents. What better way to play, work, and succeed simultaneously?

It is truly amazing to note the health, energy, and beauty effects wrought by this novel method. Though temporarily, the wrestling women may appear bruised, battered, and worn, final result is a radiant, vigorous vitality which carries with it more than can be bought in any cold cream jar or drawn with any well-wielded powder puff.

True, this new design for living brings forth a new specie of womanhood. The girls who wrestle may often replace curves with muscles and sprout hardness where softness once flourished—but the brawny beauty has long been acclaimed, and the amazon quality is satisfyingly distinctive.

To become a lady wrestler, a honey needs no qualifications other than those with which nature has endowed her. The usual amount of arms and legs will do. No girl is too short—none too light nor too heavy. Coloring of hair and eyes is of no importance. Nor does it matter whether a girl is curvaceous or otherwise. If she is spunky and energetic, she is a potential candidate for the wrestling crown.

Scientific knowledge as to grips and holds is a secondary consideration. First and foremost, she must have the ability to take punishment. You notice we did not indicate that she must be able to take punishment without flinching. On the contrary, she may groan and grunt as she likes. If a good wallop makes her see red; if a fierce scratch gives her the desire to draw blood, if a scalping makes her want to choke her opponent, then without question, she's our girl!

A clever wrestling impresario will give his hopeful young pupil a bit of advice as to the art of grappling, then he will leave her on her own with the knowledge that her natural feminine instincts will make her put up a good match.

Many a mangling maiden has achieved wrestling honors after a humble beginning in a dormitory brawl or a boudoir cat-fight. Yes, hundreds of girls who had never administered anything more deadly than a sound spanking where it would do most good, are currently throwing half-nelsons and flying mares with a scientific aptitude that makes their male counterparts envious.

Thus, as you may see, a double purpose is here served. Not only are these girls on the road to facial and figure beauty, but they are also enjoying excitement and exercise en route. The fact that many of them earn big money as professionals is naturally an added incentive.

Yes, the girls are now battling for beauty and giving the boys more than their money's worth in spills and thrills of excitement.

But lest you fear that the grappling gals will so forget their femininity in the excitement of the sport, let us assure you that many of the nation's top-ranking girl wrestlers are also top-flight glamour gals and beauty queens.

Just because a demure, soft, and adorable maid decides to adopt a ring career as the road to beauty and increased curvedness, don't think for a minute that she'll so forget herself as to become a snarling, muscled she-devil, an Amazon with bunchy muscles, a mean temper, and a wild disposition.

On the contrary, the grappling gals make every effort to retain their sweet femininity out of the ring. Yes, the brawling babes realize that a woman's success as a woman depends on the age-old allures of softness, charm, gentle curves, and the hesitant, appealing nature that men love so well.

So you see, women who take to the mat, whether for beauty, strength, or just the sport of it, really lead double lives. In the ring they are snarling, vicious, biting, clawing tigresses. There they let their fierce, primitive emotions get the better of them. They give reign to the savage that lurks in every woman.

Curvey Cuties Find New Ways to Body Glamour via the Grunt and Groan Route

Ravishing Rendezvous

How often have you dreamed of the girl who used to swing on the garden gate coming into full and ready being for a delightful date with you? How often have you wished to see her golden charms in all their eye-filling ecstacy emerging out of an enchanted garden and right smack into your arms? Well, here is your dream come true—Miranda Morton—and all five feet two of it fills your every specification. The bust is a subtly shaped, 34 curved inches—the waist a mere 24 inch indentation—while the hips slope down tenderly to a 35 inch measure. Now is that material for a secluded rendezvous?

Delightful Deshabille

We'll fling open a whole wall of a sturdy brick building and show you the thrilling treasures which lie behind. Yes, within its enclosed environs dwell darlings so deliciously appealing that mere words fail to describe their charms. Thus, being rendered inarticulate at the sight of their shapeliness, we fall back on our old friend the camera to show you what our lips can't say. Why look, we have stumbled upon Anita Larson in an appropriate moment and an intimate mood, but before we beat our hasty retreat, we'll give you a glimpse of our darling in dazzling deshabille.

Meet FRIDAY ...and Get a 13

1. Now there's a nice date, and we don't mean Friday the 13th!

FELLERS, did you ever meet anyone who laughed at superstitions? Well, Anita thinks all that stuff about signs and good luck charms is a lot of bunk. Gee whiz, sugar, don't you believe in omen?

"Oh, men, that's different! Y'see, boys, when you pick up a pin, or a horse-shoe, or a four-leaf clover, it doesn't affect your destiny. But when you pick up a man, brother-r-r, your destiny is set!" Well, we don't care if you don't believe in superstitions, honey. We just want to take a good luck at you!

2. "I'm picking up a pin for good luck." Why, hon? You have two neat pins yourself!

Mis-Fortune

Look-y Break!

5. Gee, you broke the mirror. By the way, can we meet you to-mirror?
6. This make of a sandwich nd tomato.
7. Some fall! Winter must be on the way!

Bad Luck for You, Toots—Good Look for Us!

MEET MIS-FORTUNE (CONT'D)

Just to prove how silly superstitions are, our chick crossed out Friday the 13th on her calendar, let a black cat cross her path, sprinkled salt over the wrong shoulder, and walked under a couple of ladders. And after all that, nothing happened to you, darling? "Nothing happened? Say, listen, the cat ate the salt, ran under my feet, I fell, knocked over the ladder, and a big can of paint spilled on my rug. Gee, maybe there's something to this superstition business after all! What a mess I have to clean up"! Aw, don't cry, Anita. We've never seen A-nita gal than you, and we'll hurry right over to help you with your house-work. We'll bring you good luck, kid, if you'll only let us put our ch-arms around you!

9. What'cha doin, sweet? "Aw, wi-ping that up?"

8. Please don't cry, baby, or you'll be off on a tear!

SAUCY SIREN

Hollywood has flung a beckoning challenge to fortunate Irma Pratt who is a younger and curvier version of England's most seductive lady of the screen—Margaret Lockwood. Irma, as you can observe from this pose, is a delightful paradox. She is that rarely encountered combination of sugar and spice which makes a sweet concoction into a heady liqueur.

How to Make YOUR Body Bring You FAME

... Instead of SHAME!

ARE YOU Skinny? Weak? Flabby?

Will You Let Me Prove I Can Make You a New Man?

I KNOW what it means to have the kind of body that people pity! Of course, you wouldn't know it to look at me now, but I was once a skinny weakling who weighed only 97 lbs! I was ashamed to strip for sports or undress for a swim. I was such a poor specimen of physical development that I was constantly self-conscious and embarrassed. And I felt only HALF-ALIVE.

But later I discovered the secret that turned me into "The World's Most Perfectly Developed Man." And now I'd like to prove to you that the same system can make a NEW MAN of YOU!

What "Dynamic Tension" Will Do For You

I don't care how old or young you are or how ashamed of your present physical condition you may be. If you can simply raise your arm and flex it I can add SOLID MUSCLE to your biceps—yes, on each arm—in double-quick time! Only 15 minutes a day—right in your own home—is all the time I ask of you! And there's no cost if I fail.

I can broaden your shoulders, strengthen your back, develop your whole muscular system INSIDE and OUTSIDE! I can add inches to your chest, give you a vise-like grip, make those legs of yours lithe and powerful. I can shoot new strength into your old backbone, exercise those inner organs, help you cram your body so full of pep, vigor and red-blooded vitality that you won't feel there's even "standing room" left for weakness and that lazy feeling! Before I get through with you I'll have your whole frame "measured" to a nice new, beautiful suit of muscle!

Only 15 Minutes A Day

No "ifs," "ands" or "maybes." Just tell me where you want handsome, powerful muscles. Are you fat and flabby? Or skinny and gawky? Are you short-winded, pepless? Do you hold back and let others walk off with the prettiest girls, best jobs, etc.? Then write for details about "*Dynamic Tension*" and learn how I can make you a healthy, confident, powerful HE-MAN.

"*Dynamic Tension*" is an entirely NATURAL method. Only 15 minutes of your spare time daily is enough to show amazing results—and it's actually fun. "*Dynamic Tension*" does the work.

"*Dynamic Tension!*" That's the ticket! The identical natural method that I myself developed to change my body from the scrawny, skinny-chested weakling I was at 17 to my present superman physique! Thousands of other fellows are becoming marvelous physical specimens—my way. I give you no gadgets or contraptions to fool with. When you have learned to develop your strength through "*Dynamic Tension*," you can laugh at artificial muscle-makers. You simply utilize the dormant muscle-power in your own body—watch it increase and multiply into real, solid LIVE MUSCLE.

My method—"*Dynamic Tension*"—will turn the trick for you. No theory—every exercise is practical. And, man, so easy! Spend only 15 minutes a day in your own home. From the very start you'll be using my method of "*Dynamic Tension*" almost unconsciously every minute of the day—walking, bending over, etc.—to BUILD MUSCLE and VITALITY!
